My dear Lord,

I enclose, as promised when I was in Calcutta, a memorial* of the duties of the Principal of the Hijli School & the yearly allowance to the Principal which is required by Joseph. If you think that Mr Cundy will suit you perhaps you would ascertain whether he would be willing to act during the absence of Mr Gilbert, the present Principal on furlough. Mr Gilbert goes early in April, so the question of his successor must be settled some time before then. Please therefore answer as soon as you can

The pay of the permanent incumbent is Rs. 600 rising to Rs 800, so that by strict rule the acting Principal, & he holds no substantive appt under Govt, would draw Rs. 350; but as this is insufficient I have recommended to the Govt of India in the Educl Dept that under the circumstances Rs. 500 ch? be allowed They have not yet answered but I hope they will not dissent

Order —.

In consequence of the changes which have been made in the constitution of the Educational department in Mysore Mr. Hodson late Inspector of Schools is thrown out of employment by the return of Mr L Rice the Dir Pub Instn

There being no opportunity of employment in Mysore Mr Hodson has accepted the offer of the post of Acting Principal of the Rangoon High School

Mr Gordon would have been pleased had it been possible to have offered an office, who has for so many years efficiently filled the place of Inspector of Schools in Mysore, an appointment carrying with it a better

prospects both as to pay and position. but in the circumstances of the case this could not be, the C C hopes however that before the termination of this acting appointment it will be possible for Govt to find something better for Mrs Hodson

The C C has it in his power so to order it that Mrs Hodson at any rate shall not lose in pay during the 18 months that he will be employed in Burma, and therefore applying to his case the sanction which the Govt of India accorded to the Compensations of those officers of the Commission who have been required to leave it

IN the CC is pleased to order that WS Hodson shall, during the next 18 months, be paid from Mysore, the difference between the pay which he may receive ~~and~~ and the average of his pay during the last three years of his employment in Mysore, and that he shall receive now three months present pay to cover the cost of moving his establishment. This Orders does not in any way preclude his drawing such travelling allowance as he may be under the rules in force be entitled to

Finance } Sir,

I am directed to
acknowledge receipt of your
letter No $\frac{3806}{S\ 54}$ dated 19th
August 1880, requesting that
Mr Hodson, late Senior
Inspector on Schools in Mysore,
may be allowed to count
as service for pension, the
period

period during which he is employed as acting Principal of the High School at Rangoon

2 In reply, I am to call your attention to Section 92 of the Civil Pension Code, and to point out that the Government is ordinarily unwilling to discuss questions relating to an Officers pension until he actually retires and unless there are any reasons for treating Mr Hodson's case as exceptional, the Government would prefer to follow the usual course in the

remark that apparently the responsibility for Mr Hodson's pension, during the period in question, could not, with propriety, be imposed upon the Mysore State, seeing that, since his substantive appointment in Mysore was abolished, Mr Hodson has been in the employment of the Government of India.

3 With regard to paragraph 3 of your letter under acknowledgment, it is requested that you will be good enough to state the circumstances under which you have sanctioned the payment to Mr Hodson out

out of Mysore revenues, of the difference between the pay of his grade in the Mysore Educational Depart-ment, and the pay of his present appointment on the terms allowed by the Govern-ment of India for the junior officers of the Mysore commission only I am also to enquire whether Mr Hodson received any compensation under the provisions of the Civil Pension code, on the abolition of his appoint-ment in Mysore

Sir I am directed by the C in C to acknowledge the receipt of Capt Ridgeway's letter No 461 G 7 dated the 26 October 1880 stating that the Govt of India are unwilling to discuss the question of Mr Hodson's pension until he actually retires, and asking for a statement of the circumstances under which compensation has been sanctioned to him by the C in C

2 I am directed to reply that, left to be regarded by the rules of the pension code there can be no doubt that Mr Hodson

present employment does not qualify for pension, but looking to the service which he has rendered to the Myore state, and the fact that it is the necessity of creating the establishments of Myore, without any reference to the claims of the persons affected by the changes, which has thrown Mr. Hodson out of employment or at a time when the Govt of India is unable to give him an appointment in a stationary permanent post, Mr Goodnas representing the Local Govt of Myore, and being in a position to gauge the feelings of those [redacted] in [redacted]

administration of the Province, felt called upon to propose an arrangement by which the time spent by Mr. Hodson on present appointment would not be lost to him, and he believes that if the matter be left to the Government of Mysore, it will be willing to accept as he has proposed to accept the responsibility for Mr Hodson's pension during the period on Question

3 It seemed moreover safe to say that this question could only be settled here, If left united Mr Hodson proposed to retire the circumstances of the case would be unknown to the members either of the Govt of India or of the Mysore State and

1 it also appeared expedi-
ent to settle the question
befor the condition of the
2 Province was actually
effected

4 Moreover, when Mr.
Hodsons appointment
was abolished in Mysore
and it devolved on
Mr. Gordon to try and
get provision for him
0 Elsewhere or to compen
o sate him, he applied
to the Govt of India to as
u certain if any appoint
a ment could be given
In the absence of any
suitable employment
c Mr Hodson would have
been discharged on the
impensation pension to
which he is entitled
and the nature of the
appointment offered
particularly

particularly the question as to whether or not it counted as service was of the utmost importance to him, in deciding what course to take, for to a man of his age it might be much more advantageous to go now than to remain in an appointment which does not count as service

5. " The similar consideration influenced Mr Gordon in granting Mr Hodson the compensation allowed to the junior members of the Mysore Commission That rate of compensation had already been sanctioned by Govt in letter No 67 of 14 March in the case of Mr. Marsden the other Inspector of schools

58 27 1880

in Mysore, and Mr. Gordon had every reason to believe therefore that it would be allowed to Mr Hodson. But action had to be taken promptly for the appointment that was offered in Burma could not be kept open, and the C.C. of Burma communicated by telegraph, and required an answer at once Mr. Gordon therefore trusts that the sanction of Government may not be accorded to his action No compensation, I am to add was made, under the provisions of the Civil Pension Code

Thanx &
